

	College of Geosciences
	College of Petroleum Engineering
	College of Chemical Engineering and Environment

	Safety Engineering		Engineering
	Material Science and Engineering		Engineering
	Financial Management		Administration
	Measurement & Control Technology and Instruments		Engineering
	Geophysics		Science
	Geophysical Sciences		Science
	Geology		Science
	Geological Sciences		Science
	Electronic Information Engineering		Engineering
(Business Management		Administration
	Management Science and Engineering		Administration
	International Economy and Trade		Economics
	Process Equipment and Control Engineering		Engineering
	Offshore Oil and Gas Engineering		Engineering
	Science of Chemical & Pharmaceutical Engineering		Engineering

	Chemical Engineering and Technology		Engineering
	Environmental Engineering		Engineering
	Environmental Science		Science
	Environmental Science and Engineering		Engineering
	Accounting		Administration
	Robot Engineering		Engineering
	Machinery		Engineering
	Mechanical Design & Manufacturing and Their		Engineering
	Computer Science and Technology		Engineering
	Finance		Economics
	Economics		Economics
	Geological Exploration Technology and Engineering		Engineering
	Geological Exploration Technology and		Engineering
	Geological Exploration Technology and		Engineering
	Energy Chemical Engineering		Engineering

	Resource Prospecting Engineering		Engineering
	Automation		Engineering
